

Dear Mr. LeatherMan Vancouver Applicant,

Thank you for considering participating as a contestant in the upcoming Mr. LeatherMan Vancouver 2011 contest. Attached you will find the application form which requires that it be completed to the best of your ability. Please ensure that you take a moment to review all details listed in the application form and that you return your application both signed and dated to Priape (1148 Davie Street) by no later than 6PM Friday December 10, 2010. Please include any additional information and photographs when submitting your application for candidacy. Photo must be submitted electronically. By doing so you will help make the selection process that much simpler for the judges' panel

Included in this notice is a listing of officially sanctioned Mr. LeatherMan Vancouver 2011 contest weekend events. Though your participation is not expected at all the listed events, your presence will be noted by the panellists responsible for the selection of this year's winner. Throughout the weekend, contestants will be judged in varying categories. These will range from: speech, image, Leather/fetish wear, entertainment/public appeal, knowledge of the Leather community, etc... In addition to the contest on the evening of December 11 2010 at The Junction Public House (1138 Davie Street), you will be required to attend a private interview at Pumpjack Pub (1167 Davie Street) on the same day prior to the contest. Members of the selection panel will conduct the private interview. I will be contacting you myself in order to schedule this interview appointment upon receipt of your completed application form.

I will emphasize that we are not looking for anything in particular with the exception that the successful contestant be motivated and excited about the year ahead. We will not necessarily select an individual who is best versed with regard to Leather culture; but we will however be selecting someone who is passionate about their own ideas and of those available to him within the community. You may be interested to know that last year's winner of the Mr. LeatherMan Vancouver contest, Doug Mitchell; was able to raise and donate funds in the amount of \$3,000.00 to his charity of choice, BCPWA (British Columbia Person With Aids Society).

Please feel free to contact me in via phone or email if you have any questions or concerns.
