Our goal is to establish MN events as a leader of special events in Vancouver. Noted for creativity, originality and inclusiveness throughout our community. MN events will operate with pride, dedication and professionalism while striving to make a difference in our community. See the MN events Mission Statement at [www.MichelNadeau.ca/MN](http://www.MichelNadeau.ca/MN) <<http://www.MichelNadeau.ca/MN>> for more information.
